About Rain Mush Institute

Our mission is to help build business leaders through the pursuit of education, learning and research at the highest international levels of excellence for the betterment of our society. Our programmes are online and designed for students who require more flexibility to study at a time that suits them. The programme includes high quality lecture material and videos and is aligned with the Unisa syllabus. We are also able to assist students from other universities on our revision programme. Our new campus is situated in Hatfield Pretoria with a world class facility and easy means of transport from all areas of Pretoria. Just a 2 minutes walking distance from Gautrain Pretoria station.

Our Students Success Stories

Below is what our students have to say about us.

It was incredible to say the least. I started understanding the work. I was impressed by how much the lecturers were patient with us when we were asking A LOT of questions, the willingness to ensure that we understand the content was amazing. I also love the fact that the lecturers created an opportunity/time for candidates to consult.
